

## **February 25th ! Social Media Marketing Theme**

**What a meeting !** Nearly 30 people online for the meeting, with about 8 guests (former and current Toastmasters) participating from far and near. It might be a close call as to who joined us from the longest distance - was it our own member Merry Wang from Chicago, or visiting Past International Director/Past D42 Governor Rick Sydor from Sacramento California? Others were from Marcy's club in Calgary, as well as a number of current/past members from the Edmonton area.

**Marcy's** presentation hit all the right 'media' targets, and left everyone with lots to consider for implementation for personal and business use of the various Social Media platforms. Marcy's Power Point presentation will be posted here once it becomes available. Contact Marcy directly at this email: [tmmarcy2018@gmail.com](mailto:tmmarcy2018@gmail.com)
